II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? (check all that apply)

3. The Amount in Controversy

300 million 10million/year X 2.5 yrs.

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (explain):

I have been deliberately harassed, stalked, sexually assaulted and homeless. I've been injured and still feel the effects of the pain today. No attorneys will return my calls no one has been open to help me for fear of retaliation. My entire life has been turned upside down I have been made to look untrusted, evil and conniving. My life has been turned into a nightmare.

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

- Mt. Morris police arrested me and used excessive force because I called 911 on him while he was attempting to arrest, Charles Forrester, Jr. tried to get me charged with domestic assault against a police officer. I have Never been in a relationship with Charles Forrester, Jr.
- I was asked to go on a date with an officer named Charles, a black officer from a different state to attempt to justify officer Charles Forrest, Jr., a white officer, actions for domestic assault. I was sexually assaulted by Charles "Lee", the black officer.
- I was sent a picture of a condo at 5227 Country Wood Ln, Gd Blanc where the realtors last name was "Lee" after I made my plaintiff demands.
- I was assaulted by officer Conquest, a female, possibly, indian, officer who used forcible entry into my apartment after a 911 call about a dispute between my landlord Green Pine Acres and myself, in Burton
- The assault occurred while a pending investigation is ongoing against Judge Letchane for the reinstatement of my drivers license.
- I was arrested for fraud but was while Judge Letchane was my judge but the check was written in Davison + error made by Grand Blanc Chase.
- State of Michigan Police arrested me for fraud but there was no active warrant for my arrest. I was told, PLEASE SEE BACK → by state officer "I fit the description."

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

Excessive force by female, Flint officer. I was treated but told there was nothing wrong with me yet I still feel the effects of chest pain on my left side, inflammation along my left ribs, I have reason to believe my floating "true" ribs are damaged on the left side. My sternocleidomastoid muscle, I believe was torn which is causing pain in my chest, just below my clavicle and my left side of my neck hurts. My right foot swells up periodically due to me kicking, per female, black, Flint officer, I was told there was there nothing wrong. I was told I would receive a referral to physical therapy for my injuries, per Hamilton clinic, still, nothing. I was told I would receive an MRI of my foot, still nothing. This has been a malicious and continuous, deliberate act of violence, vicariously to not implicate the true culprits. I want to be financially compensated for the pain endured, the years I lost from my son and by not being able to work yet not considered disabled.

V. Certification and Closing

Under Federal Rule of Civil Procedure 11, by signing below, I certify to the best of my knowledge, information, and belief that this complaint: (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.

Additional Information:

After thinking long and hard about this situation I believe all of this stems from Both my fathers and my mother because my biological father could possibly believe I was disrespectful about the house that was given to me in an uninhabitable state which "we" my son's father and I turned into a habitable state. That house was taken away for me and I chose not to fight for it until now, if this hypothesis, rains true. My mother may believe I ~~she~~ was disrespectful because I told her "quit trying to tell me how to raise my child and have a child of her own" which she cannot due to menopause. I also took my washer and dryer from my mom after several attempts of asking her to deliver them to me after she said she would. My mom got upset because I asked her to "use" my lawn mower after I housed my belongings at her house. Someone stole my lawnmower, mysteriously. I bought a remote control car for my son and my mom wanted to argue about her buying it for my son, I chose not to argue with her about it, that car now sits at the head of her bed. My biological dad's side of the family, my aunt and grandmother, wanted the house back after "we" ~~redide~~ renovated the house, I signed the deed and chose not to fight for the house until now. My stepdad and my brother I gave a car to. My step dad somehow ended up with the car. I never asked for anything about it. My step father assigned for me a vehicle which he refused to give back to me after I chose to get out of it and purchase another to ease my anxiety. My biological father was upset with me and kept telling "I needed to find a job and when I raised my voice back he hit me. This has been years of abuse at my residences and vehicles.

CASE NO.

I was pulled over in December 2013. My son and I were riding down N. Saginaw St. heading south toward home. I noticed the police following us from Graceland Cemetery up until we crossed Hamilton ave. when we crossed Hamilton ave the officer flashed his lights. The officer asked to see my drivers license and registration. Officer headed to the car came back and asked me to step out of the vehicle. I told my son to call somebody to get him. The officer said I was under arrest and I asked for what and he said Fraud. I kept asking questions fraud, how, where for what and the officer stated check fraud and asked didnt someone come to my house and I said No. Family members came and picked up my son. My vehicle was towed. I was lodged in the Genesee County Jail. I was being pulled down by a black, female officer while 4 or 5 male officers looked on. The female officer checked my right side and unzipped my jacket which I only had on a bra underneath. There were 2 male officers on the right. The female officer went to the left side and checked my jacket and as a reflex I zipped my jacket with my right hand because I felt uncomfortable being exposed. The female officer was behind me on the left then she grabbed my left arm and forced it behind my back then proceeded to throw me on the ground. I remember hearing her say why are you kicking me and I kept saying my breast are out and she was yelling no they're not. As I fell to the ground I was twisted like a pretzel. The female's officer knee was in my chest and a white male officer on my left as I was face down he pressed his knee on my head and a 3rd officer moved me in the face. My face was burned badly by the race. My phone was stolen that had the pictures of my face burns. There was not a warrant for my arrest ever found. NO warrants were sent to my house. I'm emotionally ruined and I still suffer today.
